Outreach: Alli Wong

Help plan and organize Short Term Outreach projects for Fall and Winter quarters- come to the meeting right after this meeting!

Committee Description : Outreach committee is RSS's voice to the rest of the world! We plan and organize mini-service projects during Fall and Winter quarters to help out the UCLA and LA community. These programs are open to the whole of RSS, and we encourage you to come check us out. We're in charge of RSS's high school outreach program, so we organize the Overnight Stay Program every spring. We host prospective, accepted Regent Scholars at our campus overnight and show them what UCLA and RSS is like. This is a very important job, because the students we woo to UCLA become the backbone of our group, so in the spring we'll have more meetings detailing how you can get involved. In the meanwhile, come out to our Short-term Outreach programs!
